## Tourist meeting makes plans for northern travel

It was reported at the June 2nd meeting of the Midnight Twilight Tourist Association in Slave Lake, that maps and brochures had been delivered to service stations, motels, hotels, town halls and M.D. offices throughout the zone by President Milt Lawrence and managing director Garry Johnson.

## A Travel Alberta Information festival to aid handibus

Co-chairman Bert Cyr and Bob Allinoff have arrangements completed for the Knights of Columbus Klondike Beer Festival, being held July 12 and 13 in the St. Albert Arena.

They were able to get the popular and well known band "The Capris" for both nights and have secured the services of CJA's Bob Arnold as master of ceremonies. A local dance group, the St. Albert Silver Slippers will be entertaining as well.

All proceeds from the festival will go to the Handibus, a special bus for transporting handicapped children, which has been a project of the Knights' for some years. Recently they had to replace the worn out model with a new bus.

Information trailer has been in operation at Clyde Corner since June 4, manned by three girls, two of whom are paid under a provincial SITE grant. An extra girl was added so that two would be on duty at all times. A motion carried that the provincial government be asked to install an over-hanging sign, or proper sign, at Clyde Corner, depicting the roads to towns such as Athabasca, Barhead, Westlock and Slave Lake, in order to stop the difficulty of people taking wrong roads and getting lost.

A letter was received from the Mayor of Swan Hills requesting the Association to work with the provincial government in establishing campsites along the road to Swan Hills, and Mr. Johnson will be taking action on the matter.

Also heard was a letter from Travel Alberta advising the American government is planning to stop giving tax allowances to executives attending conventions in foreign countries such as Canada.

The Zone is selling RCMP centennial records as a project and 40 had been sold by Gary Johnson at the RCMP ball in High Prairie.

A new brochure is being planned and Dr. Godson urged that people send in information from their community.

Lions Supper Club presidents flank the 1974 Lion of the Year Dick Ryley after the major Lorne Akins awards was announced last week at the wrap-up meeting of the old year. Outgoing President Jack Garrett, left, has the plaque that indicates the Supper Lions are tops in the District (Montana, Alberta and Northwest Territories), while Incoming President Bill Jones (right) holds a temporary 'gavel' -- to keep fellow Lions honed for increased community activity during the next 12 months!

## Dick Ryley Lion of the Year

St. Albert Lions honoured five members and basked in some of their own recognition awards last week during the annual wrap-up meeting prior to the new executive taking charge of the community service club.

Dick Ryley, 32 Geneva Crescent and a past president of the Supper Club, was named Lion of the Year by the Club's Board of Directors. Mr. Ryley received the Lorne Akins trophy from President Jack Garrett in tribute to his continuous and untiring efforts during the

past year on behalf of Lionism. As well, Mr. Ryley also received a Presidential citation, in appreciation of his assistance to the club president during his term of office.

The four other club members who received appreciation awards include Dick Wilson, who served as co-chairman of the major fund-raising Irish Spring Festival with Dick Ryley, club secretary Rock Holman, bulletin editor Murray Keyes and Stan McQuitty, chairman of the sponsoring committee for Air Cadets.

The club was not only named the top club in 37-B (Edmonton and Northern Alberta) but also was named the most active club in Multiple District 37, which comprises regions in the State of Montana, all of Alberta and part of the Northwest Territories.

The club's new executive for the coming year was installed by Bill Ferren, past District Governor at Rocky Mountain House. Incoming President Bill Jones begins his term of office with the July 2 meeting at the St. Albert Inn.

Serving with Mr. Jones on the executive are: Past President Jack Garrett, First Vice-President Jim Kimball, Second Vice-President Don Parkin, Third Vice-President Bob Prather, Secretary Rock Holman, Treasurer Roger Gariepy, Lion Tamer Colin Lamoureux and Tall Twister Roy Hart. Serving one year terms on the Board of Directors are Adam Hauptman, Gordon Sluder, and Gordon Townsend. Two year Directors are Tex Tyler, Jim Murray and Stan McQuitty.

## Water measures Termed fumble

Council re-examined the situation resulting from the recent water shortage in the Town of St. Albert at the meeting held on Monday, June 24. The council members had noted the confusion resulting from the rationing measures.

Though the 'ban' on outside watering was removed on Monday at midnight due to improvements in the water situation, Councillor Thomson voiced his feeling that particulars on the existing water rationing measures should be advertised

in both the Edmonton Journal and the Gazette to eliminate further confusion. He made motion on the subject.

Councillor Hudson termed the confusion a fumble and a poor public relations job. He went on to suggest that staff be asked to help cure some of the ill feeling, and was in favour that staff do whatever necessary in that regard.

The vote on Councillor Thomson's motion was 4-3. Please Turn To Page 2

## District 3 approves salary increases

The St. Albert School District No. 3 met on Monday, June 16, and approved a cost of living increase of \$25 monthly for the staff of the District. This follows a representation made on behalf of the teachers at an earlier meeting. The increase, which will be awarded to all the staff of the District as well as teachers, will be retroactive to January 1st, 1974.

Mr. Leon Teiller was again present at the meeting to answer any questions the Board members might wish to put to him in connection with the Expanded Religious Program. A question raised at the previous Board meeting was concerned with controversial subjects and how a teacher could handle such matters and whether he would be capable of dealing with them.

Mr. Teiller said that the Committee for the Expanded Religious Program had a list of guest lecturers, in- Please Turn To Page 2

## Canada Week- Think about it

A variety of social and cultural festivities designed to stimulate pride in Canada and foster dialogue among Canadians will highlight Canada Week 1974 which opens June 24 and climaxes on the Country's national holiday July 1st.

The week is sponsored by the Canada Committee, a country-wide organization of members of business, professional and cultural groups committed to fostering Canadian unity. Themes of the celebration is "Canada- Think about it!" All Canadians will be encouraged to fly the flag and wear the Canada Week emblem.

The week long celebration is under the honorary chairmanship of the Prime Minister of Canada, the 10 provincial Premiers, and commissioners of the Yukon and Northwest Territories.

In urging Canadians to participate actively in Canada Week, Prime Minister Trudeau said: "In a world Please Turn To Page 2

TOURIST INFORMATION  
ST. ALBERT  
DISTRICT  
CHAMBER OF COMMERCE

The tourist information booth located near the Purple Dude on Highway #2 has been doing a lively business since it opened on June 17. It is open from 9 to 9 every day except Mondays and Tuesdays when it opens at noon. Most of the people who drop in are looking for road maps, accommodation, fishing news, or directions to Edmonton points of interest. The operators of the booth are (from left to right) Kerry Banks, Honey Bonville (the boss), and Rob Dent. The youngster in the lower right did not offer his identity but took the opportunity to get in on the picture. The booth is sponsored by the St. Albert Chamber of Commerce in co-operation with the Midnight Twilight Tourist Association.

## Water Continued From Page 1

In favour with Councillors Hudson, Bakker and de Bruijn opposed. Please see the ad which is included in the paper to clarify the water-use restrictions.

## Canada

Continued From Page 1

the throw of so many tragic upheavals, it is important to realize that our strength lies in our diversity, that our differences can contribute to a strong and productive unity. If our resolve is strong enough, we can make of Canada a country which will satisfy our deepest aspirations - a country where everyone can share a sense of national pride and purpose."

Council had second and third reading of Bylaw #17/74, a bylaw to authorize additional borrowing for the purpose of constructing a garage, public works building, and dog pound, at their meeting held on Monday, June 24.

The total cost of the project is estimated to reach \$22,000. It is estimated that the sum of \$65,000 will be realized through the sale of the existing public works facility. A previous bylaw approved the borrowing of \$99,000.

The passage of this bylaw authorized council to make application to the Local Authorities Board for authorization to borrow the additional sum of \$158,000.

## Tourist

Continued From Page 1  
munities, including pictures, Zone Chambers of Commerce are also being asked to help gather information to be included in the 1975 brochure.

Highway Chairman George Stevenson, director Dave Hunter from Athabasca and zone manager from Zone 8, Stan Ollis were on a caravan headed for Winnipeg, stopping at points all along the route and promoting east-west lateral highways and the northern woods and waters scenic route.

Director Charlie Schurter spoke briefly on the Lesser Slave Lake Provincial Park, noting that it will be advertised as the third largest park on the largest fresh water lake in Alberta.

Fish and Game representative Jack Killen reported that license fees for grizzly bear should be raised to \$200 for residents and \$500 for non-residents, and that licenses should be for once.

In a lifetime only, so that once a trophy is taken, that hunter can take no more. He also advocates a fine of \$1,000 for taking a grizzly out of season, and special No Shooting areas be reserved around all dumps. A motion passed that Mr. Killen be given authority to set up a brief on hunting bears in Alberta to be presented to the Travel Industry Association of Alberta.

Next meeting is planned for late August in Falher. Neither Mr. Harry Hutchings, treasurer, or Mr. Henry Bonneville, publicity chairman were able to attend this meeting from St. Albert.

## Political Forum

The St. Albert and District Chamber of Commerce is sponsoring an all-candidate political forum for Edmonton West riding to be held in St. Albert Community Hall on Tuesday, July 2 from 8 p.m.

Candidates are Marcel Lambert (Incumbent Progressive Conservative M.P., Mike MacDonald, Liberal; John Ludwig, Social Credit; Jane Weaver, NDP and Brent Bissell, Libertarian.

The Chamber is urging local residents to 'get involved' and hoping for a large turnout at the meeting.

## District 3 approves Continued From Page 1

cluding doctors from local clinics, who would be on hand to offer advice on the more controversial items. He thought that parental involvement in the program is desirable, possibly in the form of parent/teacher meetings.

Mr. Dave Fraser asked when the parent/teacher meetings would take place and he suggested that the trustees and the teachers involved should meet to discuss the program in more detail.

Mr. Tellier replied that he expected the parent/teacher meetings to commence in the fall term and he felt that Mr. Fraser's suggestion of a trustee/teacher meeting had merit. He made the point that the degree of success of the expanded program hinged on the approval of the budget.

Mrs. Sylvia Walsh moved that the Board allot \$4,500 from capital out of the Revenue Account and the motion was carried.

Mr. Ted Baldwin reported that he had received four tenders for the painting of Vital Grandin School. The contract has been given to

the local firm of Phillip Berard.

In connection with busing, Mrs. Walsh moved that the Board tender for a bus service for the school district. This has become necessary following receipt of a letter

from Remy Transport advising that the company did not intend to apply for a renewal of the busing contract for the 74/75 school year.

## St. Albert pioneer dies

Mark Sebzda of 387 St.

MARK SEBZDA

Albert Road, one of the pioneers of this town passed away on June 1, 1974. He arrived in Canada from Poland in 1928 and worked as a farmhand in Saskatchewan for three years. He then left for Round Hill, Alberta, where he met and married Katherine Dudzik on July 18, 1934. Together they moved to St. Albert to make their permanent home.

Mr. Sebzda purchased seven acres of bushland and a log house which he cleared

and cultivated alone and for the ensuing 25 years he became a successful vegetable farmer.

He enjoyed reminiscing the depression days many times. When the present community hall was planned, the town had very little finance. So the farmers here, after finishing their evening chores, would go to the local hardware store to buy nails with their hard earned money to start the construction.

In January of this year, he sold his property and had a new house built at 35 Montcalm Crescent, where his widow will shortly take up residence. The well kept home and beautiful garden of the Sebzdas was a pleasant landmark in St. Albert, which will be missed by many townfolk.

Mr. Sebzda was one of

the original members of the local Senior Citizens Club when it was formed in 1969. He never missed a meeting and will sadly be missed by the other members.

Prayer services were held June 3 in the Connelly-McKinley Funeral Home. The following day the funeral mass was held at St. Albert Catholic Church conducted by Fathers Colin Leverage, Jacques Joly and Joseph Leszczynski. Burial took place in the St. Albert Cemetery and was followed by a memorial luncheon in the church basement.

Mr. Sebzda is survived by his wife Katherine, two daughters, Mrs. Sophie Spring of Dutton, Ontario, Sister Anna of Calgary, and five grandchildren, three sisters and one brother in Poland.

## Can religion mix with politics?

'God Help us if we can't,' commented the Rev. Len Musto of St. Albert Unified Church, "I am deeply concerned," he said, "that people have an opportunity within the church community to express their views."

Mr. Musto has arranged that a portion of the Sunday morning service will be given over to discussion of political concerns as the July 8th election approaches. It is hoped, he told the Gazette, that in this particular time during the service that

the real issue, as the congregation sees them, will be expressed.

The minister believes there are still many people undecided as to which way to vote, and has a concern that those people may possibly not cast a vote. He feels also that some people would attend this special service because they share his concerns that Christian community should exert its influence in the political area, while other people would disagree and stay away

## AROUND TOWN

Lily Szuba is back in town after a 10-day holiday visiting her sister in Victoria and friends in Vancouver. The energetic president of the St. Albert Senior Citizens spent her first day at home weeding her garden, and then turned her attention to the final meeting of the Seniors before the summer recess, which will be

held Thursday at the Community Hall.

\*\*\*  
Dick and Cindy Ryley, Kim and Patrick, left Tuesday for England where they will visit Cindy's parents, Mr. and Mrs. White in Sidmouth, Devon. They plan to spend a short time in London with their children as well and will be back on July 27.

## Baths to save trees

The Editor:

When I went to the town hall to apply for a permit to water our two new 20 foot trees, I was politely refused. They did come up with some good suggestions, however:

1. Use the rinse water when you wash clothes. An excellent idea if you use a scrub board but rather difficult with an automatic washer.

2. Use your garbage cans to haul water from the river. I could see at a glance that garbage cans lying sideways in my trunk wouldn't hold much water.

3. Use your bath water. This was a good idea! I went right home and had a bath. Since the trees need lots of water, I had lots of baths. Until the town starts issuing permits for bathing, we'll have healthy trees.

If anybody is looking for me to lodge a complaint about my activities, I'm the one with the wrinkled skin and soap bubbles on the front lawn.

J. Babichuk,  
Lacombe Park.

## Game Farm

The Editor:

On Monday, June 17, three classes of Grade Two students from St. Albert, along with hundreds of other school children from the Edmonton area visited the Alberta Game Farm. We were pleased to notice the improvements that have been made in the last few years, like the increased number of washrooms, and the clean picnic areas, but there were other changes that disturbed us. For example, the prices

of foodstuffs at the concession stands were shocking. Nothing cost less than 15 cents! (Except packages of tissues which aren't too tasty.) Even a drink of milk was 25 cents. Some children "pooled" their funds in order to share a treat when their limited "spending money" didn't buy more than one item.

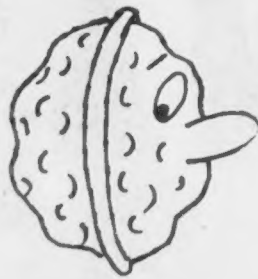

We also found it most disturbing that there was only one source of water - a pump - which bore no sign to inform visitors whether it was suitable for drinking or merely for washing. On days like Monday, children and adults alike would appreciate a drink of water.

Concession stands are placed in several locations for visitors' convenience - but only the one at the main gate was in operation.

We wondered, also, why so many cars were allowed to drive through on such a busy day. We realize that normally, this creates no problem but at the end of the school term where there are so many young people wandering about, it seems a rather dangerous practice.

The Game Farm is designed with the welfare of both common and rare animals, a prime concern. Perhaps a little more concern for the common homosapien would be in order.

Lynn Clark,  
Jennifer Wilde,  
Tena Bannerman,  
The Grade Two Teachers

## Election Time

The Editor:

The time is ripe again to select the chief Mandarin if you think as a human the last government was good, if you think as a Canadian the last government was good, you might give it a chance again. But if you think you and I were the loser and our country went down the drain, don't vote for them again. Maybe your employer was the winner, maybe your University-trained kid couldn't find the job, and has to go south instead of cutting wood. Maybe you should ask the daisy do you love me or don't you. Or should ask the mirrow on the wall who promised me this all. But make sure it's good for Canada - after all

Rolf H. Jauch,  
Mission Park.

sion Park, where she will assist Bill Keech in supervising and coaching. A former Paul Kane student, Colleen is a third year arts student at the university. She has played a lot of tennis, being a winner in the Edmonton doubles championships, a finalist in provincial championships, plus playing in the Canadian championships on one occasion.

Before coming to St. Albert Colleen had been working as a tennis instructor and supervisor for the Edmonton Parks and Recreation Department. She has been hired under the provincial Student Temporary Employment Program and will be getting a junior tennis program going for the holiday months. Working staggered hours with Bill the two young people will be able to give full time supervision at the courts.

## Accomplished tennis player supervises Mission courts

Bill Keech, supervisor of Mission Tennis Courts, is the first person to hold such a position in St. Albert. He has served in a similar capacity at Deerlodge Tennis Club in Winnipeg, teaching and supervising tennis.

### Y.E.S. program

A Y.E.S. program is now underway in St. Albert by the Recreation Department in conjunction with the Department of Culture, Youth and Recreation.

Shawn Nuttall a local girl presently a physical education student at the university, will be co-ordinating the program to bring students looking for jobs and employers together.

Business people wanting to hire a student, or students looking for a summer job may telephone Shawn at 459-6601, extension 58 mornings.

In the afternoon this charming young lady will be circulating around town lining up prospective employers and job seeking students. The Gazette has had a number of calls wondering if a Y.E.S. service would be provided, as has the recreation department, so it is expected Shawn will have a busy telephone.

Bill is an 18 year old student who graduated from high school in Winnipeg last year. His parents moved to Edmonton last August and he followed them west after completion of his school year. He is now living with them in Edmonton and intends to register at the U of A this fall in Recreation Administration.

Tennis is high among Bill's interests and he was ranked third in the 18 and under category for the province of Manitoba. He has taken the 18 and under as well as the senior competition at the Deerlodge Tennis Club for the past two years. It is interesting to note that Bill defeated his coach in order to take the competition. Bill has generally fared well in tennis competitions including reaching the quarter finals in the Prairie Regional Tennis Tournament held in Regina last year. He was a finalist in the Brandon Golf and Country Club Open finishing up in second spot.

Bill began to take tennis seriously when he was taken 'under wing' by Daryl Barber, a well known advanced tennis player from Winnipeg. The natural ability which Bill displayed prompted Mr. Barber to take an interest in the young player. His efforts were rewarded be-

yond anticipation in light of the defeat dealt out at the Deerlodge competition.

"Facilities are very good and the clubhouse is a good size," says Bill. He has already noted some talent among the local players, in particular a 16 year old named Phil Kemp. Bill feels that between himself and Phil, St. Albert should fare well in Junior Tennis in Alberta.

In the offing for the Mission Courts are a number of junior tennis 'clinics' which should be of interest to players. In addition, lessons can be arranged by contacting

Bill at the Clubhouse beside the courts. He is there after 2 p.m.

# Businessmen meet for Gospel

The Full Gospel Businessmen Fellowship International, Edmonton and St. Albert Chapters have united in the sponsoring of a regional convention at the Chateau Lacombe Thursday, Friday and Saturday, June 27, 28 and 29.

This event is held in Edmonton every second year

## Around Town

Over 300 children participated in the Pedal Pushers program which was completed last week. This year Mrs. Peggy Ainslie of the St. Albert Safety Council organized the program. Mrs. Ainslie said that they were very fortunate in having excellent instructors and she felt that the children gained a great deal from the program. Unfortunately, the Tuesday night session at St. George Simpson School had to be cancelled because adults arriving in cars to register their own children in kindergarten, removed barricades surrounding the area being used by the Pedal Pushers and honked horns at the little participants.

and attracts delegates from the United States as well as many from the four western provinces. In commenting on the program of the convention, St. Albert club president Ken McAmmond noted that the main speakers include Mr. Art Nersasian from the head office in Los Angeles, Calif., as well as Mr. Joe Poppell, Mrs. Jean Erickson and Hank Dreher.

"Each of these feature speakers are actively engaged in lay ministries of teaching, healing and other manifestations of the gifts of the Holy Spirit," Mr. McAmmond said. "In addition to presentations of these main speakers, there will be outstanding testimonies from other Canadian businessmen as well as Bible study and teaching periods."

Convention chairman is Mr. Jim Jarvis of Westlock who is also the Alberta International Director. There is no charge for convention registration or for attendance at any of the meetings and all are welcome. While the fellowship is directed, in a non-denominational way to the Christian businessman, a special welcome is

extended to the ladies and a youth banquet is featured on Friday, June 28 with special music and a program of interest to the young adult.

Le asked Mr. Jarvis to comment briefly on the origins of the fellowship and its aims. In the early 1950's a humble dairyman in California Mr. Demos Shakaran was led with spiritual insight to conduct a Full Gospel Ministry among businessmen of all denominations in the Los Angeles area. Several remarkable meetings at this time made it evident that God was using this approach to reach businessmen who had previously had no encounter with the risen Jesus Christ or the Holy Spirit.

FGBMFI seeks no converts and is not directly

associated with any religious denomination but rather co-operates with all and aids them by encouraging and inspiring them in the service of Jesus Christ in their respective churches.

Mr. Jarvis suggested that the fellowship by its very nature and dedication, is a service arm of the entire church, serving all churches which can profit by having their men stirred and inspired for greater Christian service and enriched by Christian fellowship. "We seek only the advancement of the cause of Jesus Christ and to promote the work of the Lord. I wish to personally extend a sincere invitation to all interested in this work to attend our sessions at this convention and the Lord will surely bless you as you do," he concluded.

## RE-ELECT

# Marcel Lambert

## EDMONTON WEST

### again... for the right reasons

This year, the Liberal government proposes to spend \$24.4 billion. That is \$4.4 billion more than last year and more than double 1968's figures. Exclusive government spending is one of the major causes of runaway inflation. Spending controls are urgent. A good reason to re-elect Marcel Lambert on July 8.

Advance Polls June 29 and July 1,

## Saints trip Fort 6 - 2 win second of year

St. Albert Willowbrook Saints scored a 6-2 win over the City Police Athletics last Thursday in St. Albert before a large crowd. The win was only the second of the season for St. Albert in the eight-team Sunburst Baseball League. Saint's other win also came at the expense of the Athletics when they won 10-4 early in the year. Saints record now stands at two wins, and seven losses.

Saints scored two runs in the first inning Thursday when lead-off batter Larry Wolbeck reached first on a City Police infield error. Left-fielder Jerry Reineger struck out for one away but

once again an infield error allowed Saints Art Rechlo to reach first on a throwing error. Wolbeck went to second on the play and both he and Rechlo advanced on Greg Taylor's tap back to the pitcher, over to first for two away. Saints catcher Rick Pugliese then drilled a line shot into left center scoring both Wolbeck and Rechlo.

The Athletics appeared to have something going in the third when the first two batters singled. Larry Wolbeck made an excellent fielding play holding the runners at second and third before the throw to first for the out.

Two more consecutive singles scored only one run as the Athletics had some bad base running and had a runner picked off first.

Saints scored four big runs in the fourth on four base hits. Winning pitcher Keith Burrell led off with a single and moved to second on a sacrifice by centrefielder Doug Edwards. Burrell was then thrown out trying to steal third for the second out. Rightfielder Ed Shaskey reached first on an overthrow by the Athletics third baseman to give the Saints another life. They took advantage of the error when Larry Wolbeck reached first on a bunt sending Shaskey to second. Jerry Reineger's single scored Shaskey and a double by playing coach Art Rechlo that bounced over the fence scored both Wolbeck and Reineger. Greg Taylor followed with another single scoring Rechlo with their fourth run and a 6-1 lead.

Athletics scored their final run of the game on two base hits in the ninth inning. Saints pounded out 11 base hits with Rechlo, Pugliese and Sorobey getting two each. Winning pitcher Keith Burrell allowed nine hits while striking out 12 Athletics batters.

Saints were to have played Osborne Real Estate Jr. Tigers Thursday night in St. Albert but the game has been rescheduled to a later date due to Saints playing a provincial playoff game in Fort Saskatchewan. The Saints will travel to Camrose next Tuesday for a game against the Cubs, and won't be home until July 8 when the Fort will be in town.

The five minute mark of the second period. Two goals apiece by Barry Konkolus and Doug Parsons, however tied the game at four goals each as the second period ended.

The Blues jumped ahead 5-4 at the 2:19 mark of the final frame only to have Lee Carlyle knot the count once again with a goal at the 6:48 mark.

Wally Monson put the Jets ahead for the first time in the game with a shorthanded goal with less than 10 minutes to play. However, the lead was shortlived as Mark Valasten scored his second goal of the game tying the match and paving the way for Don Konkolus' heroes.

Jets goalies Bill Tieland and Larry Davis were brilliant throughout the game. Overall the Jets were outshot 48-36 but the Blues could not solve the goal-tending mastery of the Jets dynamic duo.

## Local soccer stars represent city in Klondike cup

The Edmonton Metropolitan Youth Soccer Association each year hosts the Klondike Cup Tournament for teams of selected players from centres in Alberta. Three age levels of competition for under 16 years, under 14 years, under 12 years, will take place at the Jasper Bowl, Saturday and Sunday - June 29 & 30.

St. Albert Hercules Soccer teams have 10 players selected to Edmonton Peeewe and Bantam teams. Each player is awarded the sweater he plays in and will be eligible for the Junior Olympics Gold Silver or Bronze medal.

Coach Herman Kochan of St. Albert Peeewe is especially proud that seven of his players have been selected, four of whom are first year peeewe.

### PEEWE SELECTS:

Ricky Grey (First Year Peeewe) - Halfback. A key-stone of the St. Albert team. Likes to play an attacking game. A player every coach would like to have on his team.

Keith Hayburn - Winger. A speedy individualist whose dashing style can cause concern to opposing defences. Brian Hunt (First Year Peeewe) - Halfback. "Grits and Guts" mixed with cool control in tight situations makes him the mighty atom of the St. Albert defence.

Troy Murray - Forward. A highly talented player. Likely to be a future Alberta soccer star. Can score with either foot and has the moves to deke the defense out of their socks.

Norman Odings (First Year Peeewe) - Halfback. Has good speed and mobility - a constructive player and has the ability to score from 25 yards, as he has so often proven this season.

Tim Schraeder - Back. A versatile player and a tower of strength in defense - kicks with both feet and always tries to be constructive. Great insurance as a backup goalie.

Brent Yurkiv (First Year Peeewe) - Winger. More of

St. Albert had seven peeewe players and three bantams in the select list for the Klondike Cup tournament being played Saturday and Sunday at Jasper Bowl. Peeewe selects from left, standing are Troy Murray, Ricky Grey, Keith Hayburn, with Coach Herman Kochan, and seated, Brian Hunt, Brent Yurkiv, Norman Odings and Tim Schraeder. Coaches arranged for each team to play two games in the west, north, east and south divisions, embracing some 400 peeewe players in the Edmonton Metropolitan area, in order that they can make the selections from observations, and St. Albert made an exceptional showing to be awarded seven players.

ten called Pip Squeak by the fans. Has great ability to zero in on goal and his selection in this his second year of soccer proves he has natural ability for the game.

BANTAM SELECTS  
Coaches John Alliston and John Aldred are equally proud of the three players selected from the St. Albert Bantams.

Stephen Aldred - Halfback. A first year bantam - Steven was selected last year to the Edmonton Peeewe

team. A most versatile player who can adapt to any position. Has excellent ball control - a tireless worker who never lets up.

Andy Genth - Back. Captain of St. Albert Bantams - a second year Edmonton select. Fast and strong in the tackle and with his mobility makes him a dependable man in any defence.

Paul Little - Winger. Puts zip and zing into any forward line. His great speed and drive create many openings for his team.

## Vimy Blues take tourney

Vimy Blues, league leaders in the North Central Baseball League had little trouble winning the annual Frontier Daze eight team baseball tournament last weekend in Morinville. Vimy blasted Legal 16-2 in their opening game Saturday with Darcy Baert and Paul Provencal hitting homeruns to help out winning pitcher Peter Provencal who allowed only one hit in the five inning game. (10 run rule after five innings).

Len Garron pitched a four hitter to give Vimy a 7-0 win over Bon Accord, Yvonne Bilodeau had a two run homer in the second inning. Vimy added four more in the fourth to put the game away. Bon Accord reached the semi-finals against Vimy with a 8-1 win over Fort Saskatchewan Red Sox. Len Bonafficio was the winning pitcher and had homerun support from Dean Lewis.

In the final game of the day between Vimy and Morinville, the Blues scored all the runs they needed in the first inning when Peter Provencal hit a three run homer. Morinville's only runs came in the second inning on a two run homer by Dave Krysko after Paul Ropel had drawn a walk. Vimy scored a single run in the fifth and four more in the seventh. Peter Provencal rounded out the scoring in

The St. Laurent brothers from Morinville's senior baseball team had their eyes on the ball last week as they both had grand slam homeruns. Eddie on the left had one in the Frontier Daze tournament against Glenview while George had one against Bon Accord in a league game last Wednesday.

the eighth with his second homerun of the game. Roger St. Arnaud was the winning pitcher while Bud Pytluk took the loss.

Morinville entered the finals with a 11-1 win over Lamont on Eddie St. Laurent's grand slam and the pitching of Frank Comeau. Morinville's semi-final game was a 7-0 shutout over the Braves as Dave Krysko allowed only one hit and received homerun help

from O'Neill Chevallier and George St. Laurent.

In the Edmonton Oilers and news media, the Oilers took an easy 9-1 win. Morinville's lone run was a tremendous blast against the left field fence by Ed Krysko for a homerun. Ed Joyal replied for the Oilers when his line shot went between CFRN sports announcer Rod Phillips legs.

## Minor League baseball playoffs underway

"Clear, foggy, and muddy" is the best way to describe the minor league baseball playoff picture as it stands this week in St. Albert.

The Mosquito 'A' league is heading into its final round of games with two old favorites -- the Phillies and the Totems -- locking horns in a best of three game series beginning tomorrow night on Diamond 10. The Phillies bested an up-start Mountie nine, 17-15, in a sudden-death affair Monday night. The Scarlet and Gold crew upset last year's champs, Apollos, in a playdown for third place.

The Mosquito 'B' playoff setup is uncertain. The league winning Eskimos are waiting to do battle against the playoff winner of the Bronco-Orlone single game trade.

For unknown reasons the Beaver division has been quiet. At this writing an attempt is being made to schedule a sudden-death encounter with the second and third place teams, Giants and Braves this week. The winning squad will take on the league champion Pirates in a two out of three series.

Doug Millroy's always-tough Cubs hold a one game edge on the Twins in their

"best of three." The Cubs took the Twins 8-2 last Thursday after the Twins gained the finals, spilling the Cardinals earlier last week.

All playoff winners are expected to enter the Alberta Baseball Association playdowns later this summer

## Three-way tie in Sturgeon League

Stony Plain Playboys handed St. Albert A's a 3-2 loss Monday night in Stony Plain and Spruce Grove Panthers defeated Calahoo Chiefs 7-3 to move into a three way tie for first place in the 10-team Sturgeon Mens Fastball League. Playboys, A's and Panthers all have identical records of 10 wins and two losses. Calahoo holds down fourth spot with a seven and four record

St. Albert A's led 2-0 over the Playboys after two complete innings on runs by Jay Taylor and Tom Reed. Winning pitcher Gerald McGinn held the A's scoreless the rest of the way on only two hits while his teammates were getting to losing pitcher Dick Bird.

Playboys tied the game in the third inning on Dennis Zutz's triple, scoring Wayne Osland and Vic Boychuck who had both singled. Two singles and a triple in the fourth produced two more runs for Stony and it was all they needed for the win. They added an insurance run in the sixth on three more hits. McGinn allowed six hits and struck out eight. Bird allowed nine hits and chalked up six strike-outs.

Spruce Grove Panthers broke open a 4-4 tie in the fourth inning in Calahoo to take a 7-3 win. Pete Turner went all the way for the Panthers while Artie Stevenson took the loss. Wayne Fuhr had a homerun for the winners.

Other games saw Enoch beat Spruce Grove Jrs. 14-6. Stony Plain Kings took Onaway 13-3 and St. Albert Inn

defeat Fairhaven Falcons.

# St. Albert A's win Grove tournament in fastball action

St. Albert A's, league leaders in the Sturgeon Men's Fastball League, won the A event in the 16 team mens fastball tournament in Spruce Grove over the weekend. The A's went through the tournament with four straight wins and had little trouble except for the final when they scored a last inning run to defeat Spruce Grove Panthers 6-5.

A's opened the tournament on Saturday with a 5-2 win over Orlies Turbo of Edmonton with Tom Reed picking up the win. Sunday morning they had no trouble with Enoch Spadrows, winning 8-2. Catcher Larry Cote gave winning pitcher Dick Bird all the help he needed in the first inning with a grand slam homer. Bird al-

lowed only two hits while striking out 11. Peter Swiderski had three doubles for the A's.

In the semi-final game against Stony Plain Playboys, the A's gave up three runs to Stony in the second inning on three hits. But A's pitcher Tom Reed settled down and allowed only one more hit in the last four innings. That lone hit was a homerun to Dennis Zutz but it was all for nothing when Zutz failed to touch second and was called out by the base umpire. A's picked up two runs in the second on Jim Miller's homer with a man on and went ahead to stay in the fourth with four runs. Lionel Rouault had a two-run double in the inning. St. Albert added three

more in the fifth for a well deserved 9-3 win and a berth into the finals against Spruce Grove Panthers.

The final game was a real crowd pleaser with the A's falling behind 1-0 in the first inning when lead-off batter Cec Armstrong reached first on an outfield error. Earl Nelson's long fly ball scored Armstrong. A's got on the scoreboard in the second, scoring three runs after two were out. Lionel Rouault's double scored Dick Bird. Jim Cozak and Henry Dupas who had all reached base on errors. St. Albert took a 4-1 lead in the third when Peter Swiderski led off with a triple and scored on an infield sacrifice by Larry Cote. Dick Bird led off the fourth with a homerun over centre field to give the A's a 5-1 lead.

Panthers refused to quit as Joe Hurst and Lorne Campbell hit singles and came home on a homerun by the old veteran, Earl Nelson. Nelson's blast made the score 5-4 after five complete innings. Panthers tied the game up in the sixth on a walk to Roy Singer and a single by pinch hitter Pete Turner.

With one away in the seventh, Lawrence Laliberte drew a walk and went to third on Peter Swiderski's single. Larry Cote then hit a long fly ball into centrefield

allowing Laliberte to score the winning run from third. Tom Reed replaced Bird in the sixth inning and allowed a seventh inning lead off single to Lorne Campbell. Reed then struck out Earl Nelson and Don Burman and got Roy Singer to ground out for the final out, and a 6-5 win.

Reed got credit for the win. A's received some excellent mound work from Bird and Reed throughout the tournament and their hitters led by Larry Cote, Peter Swiderski and Lionel Rouault gave them the runs they needed. The tournament was won last year by Calahoo Chiefs who bowed out two straight this year. The B event was won by Cecil Hotel with a 9-3 win over Onoway.

## Senior baseball Playoff action here tonight

Local baseball fans should be in for some excellent action tonight in St. Albert when the Fort Saskatchewan Red Sox and the St. Albert Willowbrook Saints hook up in the first game of a best of three series leading to the provincial senior A title. The second game will be played Thursday, June 27 in the Fort. Both games get underway at 7 p.m. sharp and are nine innings. Should a

third game be necessary it will probably be played at the Fort as they have won both league games to date over the Saints.

Saints coach Art Rechlo feels the club is now starting to jell and should be able to hold their own with the other Sunburst League clubs. Saints last league game was a well deserved 6-2 win over City Police Athletics in St. Albert on Thursday.

MIKE MACDONALD  
LIBERAL CANDIDATE FOR EDMONTON WEST

AUTHORIZED BY THE MIKE MACDONALD LIBERAL CAMPAIGN COMMITTEE.

# Adults have praise for Pitch and Spice

The last Pitch and Spice newsletter of the season, in addition to reports on the more recent activities of the two choirs, carries comments by six adults who have accompanied the singers on various trips, some parents and some members of the adult committee.

"Volunteer to accompany Pitch and Spice on one of their many outings," suggests Marg Iseke, "and I am confident you will come home greatly reassured that the young people are responsible and mature." Maurice Belley, who also went on a trip to Dawson Creek and Prince George with the young singers, felt the highlight of the tour were the two folk masses, with choreography, and noticed a middle-aged lady in the congregation who burst out crying when Pitch sang the Alleluia. "We can be very proud of their conduct," he said.

"Parents can be assured, the disappointments were too few to recall, and the rewards too many to list,"

commented Rosalie Joly. "I had the opportunity to get to know more of the Pitch and Spice members, and to know them is to love them," said Lorraine Kremer. Diane Bokenfohr wrote that the young people 'learn to live with others, to compromise, to cope with differing situations and to uphold their dignity and that of our town.'

Head Counsellor, Jerry Dowling, refers to Pitch and Spice as a 'unique community.' A community centered within the framework of a larger community of the parish, home and school. Like all experiences in education and life, he said, the experience offered to many hundreds of young people in St. Albert is often misunderstood by others, and often not fully appreciated by those closest to the participants, or even by the participants themselves. The student leaders, Father Duchesneau and

the adult committee are to be congratulated for having conceived and executed such a memorable and fruitful trip, said Mr. Dowling.

The young singers also mentioned two further singing experiences which they enjoyed tremendously. Attending the ordination of Father Andy Boyer at Duck Lake Saskatchewan on May 24 and 25, when the service was attended by a very large crowd, including about 30 members of the clergy, and entertaining at the Kinsmen and Kinette breakfast on June 1st at Chateau Lacombe. This they described as a 'cool' experience and the young people were very happy with their warm reception, saying "It was one of the greatest audiences we ever had."

The next big trip is Expo at Spokane and the 260 singers and musicians carry the good wishes of St. Albert residents.

## Local singer featured on RCMP record

John Antle, featured vocalist on both the RCMP Souvenir 45 rpm record and the LP "Scarlet and Gold" will be on the Mall at Grandin Shoppers Park on Saturday, July 6 from 11 a.m. to 3 p.m. Members of the Historical Society will be selling both records and John will be available for autographs.

The "Scarlet and Gold" LP features three numbers sung by John Antle; "Lucy from Fort Garry," "A Most Dangerous Man," a ballad about Jerry Potts, and "Wild Rose Country" which is also on the 45 rpm souvenir record.

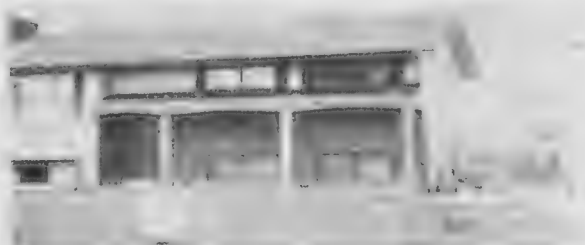

John is the son of Mr. and Mrs. A. Schuchard of St. Albert and has recently joined his family after spending

five years playing coffee houses and concerts on the West Coast of the U.S., especially in San Francisco. He has also performed in Gastown in Vancouver.

The "Scarlet and Gold" is the first commercial record which John has done.

He is currently doing volunteer work for the City of Edmonton Parks and Recreation Department and will be performing at an outdoor concert sponsored by the Department in Borden Park on June 30. He hopes to make his home in Canada.

"For your house from Heritage House - with pride"

# Premier's message for Canada Week

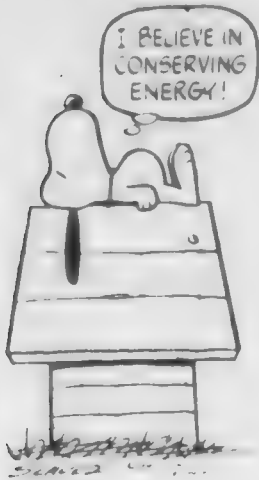

It is again a pleasure to act as an honorary co-chairman of the Canada Week celebrations organized by the Canada Committee. Canada Week will be celebrated

June 24 to July 1 in 1974. Nineteen seventy-four is arrival in Alberta of the then N.W.M.P., now the R.C.M.P.

In a very real way then, this year marks the centennial of Alberta's participation in the history and the future of the country. For all the strains and tensions there have been benefits and opportunities. Every Albertan I am sure looks forward to the future of a strong, diverse and harmonious nation that serves every citizen with equal regard.

It is my hope that every Albertan will participate in Canada Week celebrations.

Peter Lougheed, Premier.

## Reader Comment Water Facts

Engineering reports on the Town water supply prepared by Stanley and Associates in 1972 and 1973, forecast a St. Albert population of 19,600 for 1975, and an estimated water consumption of 1,660 gallons per minute (approximately 2.4 million gallons per day). In this summer of 1974 our population is close to 20,000 and water demand during the recent shortage has been estimated at 2.4 million (gallons per day). Hence, the engineering studies correctly forecast our current water demand.

The present one line supply from Edmonton can only provide 1,000 gallons per minute (1.44 million gallons per day), and this cannot be guaranteed. The Town's contract with the City of Edmonton guarantees only 750 gallons per minute. If demand rises in the Bonaventure Industrial Area we could have our supply reduced to the contractual level.

From the above figures it follows, regardless of the storage, that summer demand exceeds supply by 660 gallons per minute or 950,000 gallons per day. Up till last week we had 3.5 million gallons of storage with another 2 million gallons just commissioned. The problem is now to fill this 5.5 million gallons of storage.

With required fire-fighting storage of 2.1 million gallons we then have enough reserve to make up the domestic shortfall for approximately 3.6 days. Once the reserve is depleted we are faced with the full demand shortfall as we all well know.

A Council resolution of 1971, later supported at the annexation hearing of the Local Authorities Board (March, 1972), claimed, "trunk, sanitary, storm, and water mains, and major roads have been installed within the Town with capacity sufficient to accommodate residential development." At the hearing the St. Albert Community Planning Committee questioned the adequacy of the services required for the anticipated growth. Subsequent events have shown that rapid development of the annexed area, and other parts of the town resulted in growth which has outstripped the Town's capacity to cope with the rate of change.

The adoption of a "we told you so" attitude will not resolve our present water shortage. The co-opera-

tion of all citizens, and earnest efforts by the Town are needed to contain and ultimately solve the problem. Mayor Gibbon indicated at the last council meeting they hope to have tenders out for a second water line from Castle Downs by September. The sewage system presently being built was conceived and approved a few years ago. Let us all hope that one year will be enough time to complete a second water line.

Along with an ongoing concern for our water supply we need planning and concern now for other problems which have not as yet reached crisis proportions. A couple of suggested concerns might be transportation and municipal finance.

It was learned yesterday that the water agreement is presently in the legal department of the City of Edmonton and information was not available as to when it would clear that department. It will then go to the city and town councils for ratification, and if approved right of ways need to be purchased and design work done for the new water line. A city official mentioned that Edmonton has been involved for nine months in negotiations for one piece of property required for a right-of-way in Edmonton, which is still not resolved. There is basis for reasonable doubt that the new main can be on stream for the summer of 1975.

R. H. M. Plain - President,  
B. Breadner - Director,  
St. Albert Community Planning Committee.

### BILLBOARD

SUN. JULY 7 - The Spiritual Assembly of the Baha'is of St. Albert will hold its regular meeting at 10 a.m.  
FRI. JULY 12 & SAT. JULY 13 - Klondike Beer Festival by Knights of Columbus - St. Albert Arena.

THUR. JUNE 21 - Senior Citizens gather St. Albert Community Hall for cards and social. Door prizes. A warm welcome awaits all Seniors.

## FLIKING

The Day  
of the  
Dolphin

Most pictures today bring out the reality in which mankind exists. They clearly illustrate the stupidity with which man treats his own life, as well as the well-being of other creatures, as well as his abuse of his 'not so' firmament, Earth. The way in which we live is something that we should all take a careful look at, while we climb the tarnished steps to success.

The Day of the Dolphin is most certainly a movie for animal lovers, but if you aren't, you will be keenly interested in the amazing things that can be, and are taught to animals through science. It does not have the action or the suspense of other movies, but it is far from dull and your interest is maintained throughout the picture.

George C. Scott, one of motion picture's great stars, pulls you right into the movie with his brilliant portrayal of 'Pa,' the dolphins' teacher. Playing with Scott are two very charming ladies and a number of young male actors who seem to fill the screen quite well.

It is indeed a pleasure to see a movie in which animals play a major role, however it is a shame that humans cannot identify with things which are inhuman. Perhaps the animals should be teaching us.

The Day of the Dolphin is presently showing at the Rialto B Theatre, 10134 - 101 Street.

## Gladstone neighbors entertain Bouchiers

Prior to their departure for Comox, B.C., about 28 neighbors on Gladstone Crescent entertained John and Doreen Bouchier at a supper and lawn party held at the home of Bill and Doris

McLaughlin. John has been transferred with the Canadian Forces and the family will be leaving around the end of June.

Everybody contributed to the delicious supper and

afterwards Roy Gouchev came up with a most appropriate game, in view of the nature of Mr. Bouchier's work in survival training with the Forces. The guests were divided into two teams, one woman and one man. Each team was given five small logs with a plank over and a pole.

The situation was that these people were the only survivors of a nuclear war and unless they could safely cross a river from the contaminated area they were

in, they too would die.

Standing on the plank, and using only the pole to keep the logs aligned and moving, each person had to cross, at no time touching the lawn. The basic objective was to ensure that at least one man and one woman made it, in order that mankind go on. This and other lawn games provided lively entertainment.

During the evening the presentation of a lovely silver tray, bearing the Alberta Rose emblem, was presented

to the Bouchiers by Mr. Gouchev, on behalf of all present. Mr. Gouchev said that the couple and their seven children would be sadly missed on Gladstone, where they had been good neighbors to all in their four years spent on the crescent.

The Bouchiers had been transferred to St. Albert from Baggotsville, Quebec.

The couple received good wishes from all for happiness in their new home, with their children, Ann Marie, Eric, Michael, Nicole, Pamela, Anthony and Jerome.

### Students, Seniors work together

Six St. Albert students have successfully obtained a grant from the Federal Government under the Opportunities for Youth program. In a project which must be of benefit or service to the community, Susan Kimball, Dan Kimball, Dave Scammell, Maureen Anderson, Linda Halvorsen, and Brenda Halvorsen applied for a research project on the History of St. Albert.

The project entitled - "Bridging the Gap," will be concerned with St. Albert senior citizens. The project members will be going to the senior citizens to talk about what St. Albert was like many years ago. These conversations will be taped, then transcribed, and by the end of the summer, a booklet will be published. Copies will be going to the St. Albert Public Library, all

schools in St. Albert, the St. Albert Museum, to Provincial Museums, and the Department of Tourism.

The project will begin on July 2, and will conclude August 30. The students were assisted by the St. Albert Public Library, with the donation of office space, and appreciate the help of Mr. Jim Parker, president of the St. Albert Historical Society and Mrs. Lily Szuba, president and members of the St. Albert Senior Citizens Club.

If you are a senior citizen, and are a long time resident of the St. Albert area, and would like to contribute your experiences to this undertaking, or if you know of any senior citizens who may be interested, please phone Susan or Dan Kimball, so that they may set up an interview. The number to call is 459-8752.

## PUBLIC NOTICE

THE SCHOOL ACT, 1970 (Section 7)

BY-LAW NO. 2/74

By the Board of Trustees of the St. Albert Protestant Separate School District No. 6 of the Province of Alberta.

WHEREAS it is deemed expedient by the Board of Trustees of the St. Albert Protestant Separate School District No. 6, of the Province of Alberta, that the sum of Two Hundred thousand dollars (\$200,000.00) should be borrowed on the security of the said District by issue of debentures repayable to the bearer in twenty-five consecutive annual instalments with interest at the rate of not more than ten per cent (10%) per annum for the following purpose, namely:

providing eight (8) Portable Classrooms \$200,000.00  
to be located on the Lacombe Park School site.

THEREFORE, notice is hereby given by the Board of the said School District that unless a poll of the electors of the said School District for and against the said debenture loan is demanded, as provided by Section 104 of The School Act, 1970, the said Board will apply to the Local Authorities Board for authority to borrow the said sum by issue of debentures.

Of which all persons interested are hereby notified, and they are required to govern themselves accordingly.

Charles Schneider, Chairman.

Dated at St. Albert, Alberta this 12th day of June, 1974.

INSTRUCTIONS TO ELECTORS PETITIONING FOR A VOTE ON A MONEY BY-LAW IN A DISTRICT - (Sections 2 (e), 3 and 104 - The School Act, 1970)

SCHOOL DIVISION:  
"Elector" for the purposes of petitioning for a vote on a debenture by-law means a person:

- (1) 18 years of age or older,
- (11) who is a Canadian citizen or British subject, and
- (111) resident, in the case of petition, in a district or division for at least the 12 months immediately preceding the day on which the petition is presented;

A poll respecting the aforesaid borrowing may be demanded in a School District Division by preparing and submitting to the School Board a petition for a vote in accordance with the provisions of Sections 2 (E), 3 and 104 of The School Act, 1970. The petition must be signed by at least:

- (a) 2 per cent of the electors in a district or division having 10,000 electors or more, or
- (b) 5 per cent of the electors in a district or division having less than 10,000 but 3,000 electors or more, or
- (c) 10 per cent of the electors in a district or division having less than 3,000 electors or more, or
- (d) 15 per cent of the electors in a district or division having less than 500 electors, and be filed with the Board within 15 days of the last publication in a newspaper of the public notice of the proposed debenture borrowing.

## AROUND TOWN

St. Albert and District Chamber of Commerce general meetings have taken a summer recess until September. The executive officers and directors will continue to hold their executive meetings on the third Wednesday of the month during July and August. Any interested individuals are welcome to attend these meetings. General meetings will continue in September. Chamber of Commerce advises that the Tourist Information Booth at the Northgate Motel on Highway 2 has been in operation since June 17, 1974. Visitors to St. Albert and District can receive information about the area from an informed

start of one full time and two part-time employees.

Mr. and Mrs. Roland and Claire Bonneville have been away on holiday since early in May and are having a wonderful time touring eastern Canada. After spending about two weeks in Montreal they are now on their way to Newfoundland and will be spending a couple of weeks in the Maritimes. Their son Henry says that they have been having a fantastic time except for a trailer accident which held them up while adjusters were at work appraising damage resulting when an bus ran into their trailer. (While camped on the Gulf of St. Lawrence, awaiting repairs a great herd of whales were observed swimming by their campsite). Before returning home in about a month, the Bonneville's will be travelling through Chicago to visit with a sister who is currently living in that city.

Adam and Pat Hauptman with their family left this morning on a trailering holiday to Niagara Falls, where they will visit a number of Pat's relatives. Adam is resolved to stick with his diet, vacation or no, as he has so far lost 25 pounds and is well pleased with his progress.

St. Albert parents are hosting the Calgary players for the Klondike Cup Soccer tournament this weekend, which include peewees, bantams and midgets. They will also provide the boys with transportation to and from their games. Kay Hopkins, who is in charge of billetting arrangements for the Edmonton Metropolitan Youth Soccer Association, commented that St. Albert people are sure great when it comes to supporting young people's sport activities.

## Old Timer Still Farming at 86 years

A truly remarkable fellow is Mr. Elthege Belanger. At the respectable age of 86 he possesses strength and stamina uncommon even in men a quarter of his age. His firm handshake and quick mind are evidence which lead one to conclude that he is at least 20 years younger than he actually is.

Elthege came to the Morinville area in the spring of 1891, at the age of three, when his parents moved here from Laurens, Massachusetts. His father was a shoemaker and he manufactured footwear for the nuns and priests at the Mission in St. Albert. It is believed that Mr. Belanger senior produced shoes for Bishop Grandin.

Elthege and his wife Helenda will be celebrating their 50th wedding anniversary this summer. There are nine children, two of them are from Elthege's first marriage. The children's ages range from 27 to 57.

The Belangers take a holiday every year and the last one proved to hold a 'first' for Elthege. Last year was the first time Elthege had ever flown by jet and the flight was most enjoyable. They went to Vancouver and Windsor on the trip.

Elthege is a very vigorous individual, up early in the morning doing chores on the farm. The farm where the Belangers are living at present is not the original farm site but it borders on it. Mr. Belanger tends 50 pigs on the property south-

west of Morinville. Elthege did all the harrowing in the spring as he has done for a number of years.

For the last six years Mr. Belanger has discontinued his drivers license. When he reached his 80th birthday he decided that it

was too inconvenient to return for a drivers test every year. Nonetheless he can still handle a tractor and family and acquaintances acknowledge that Mr. Belanger will put in 12 or 14 hours a day without difficulty.

Those people who know Elthege Belanger will attest that they are amazed by his health and vigor, he can put a younger man to shame. Many say that they hope that they will be in as good a shape when they are half his age.

Mr. Elthege Belanger, 86, sets an example which many younger men would have trouble following. He can put in a full 12 or 14 hour day on a tractor and still keep smiling.

## MILLION DOLLAR SALES

Marlo Developments Limited is pleased to announce that Mr. Phil Filipechuk has sold in excess of \$1,000,000 worth of real estate property in the year 1974. It is a great honour for us to congratulate Phil as the first "Man from Marlo" to reach this plateau in 1974.

Stella Baydala, left, and Walter Baydala, new owners of Club Mocombo with Manager Elsie Wilson at a table she has just set up by the fireplace in the Mocombo's main hall.

The announcement by Mr. Walter Baydala that Club Mocombo will resume 'operations as usual' was good news for a lot of St. Albert and District people. And also the news that Elsie Wilson is back at her old desk and handling the catering services offered by the Club. Mrs. Wilson has been in the catering business for 20 years. She has been away from the Mocombo for three years, but previous to this she had managed and operated the club since 1951.

Scrub brushes, paint brushes, floor polishers and

good old fashioned elbow grease have been much in evidence as the premises got a thorough spring cleaning, and the new owner and his wife made plans for some renovating. However, Mr. Baydala and his wife Stella took time out for a coffee and a chat.

Walter had completed arrangements under which he bought out a former partner, Lornex Developments and was confident in his decision to continue the operation as it has been. They will cater to weddings, seminars, sales meetings, banquets and dances. Com-

## It's business as usual at Club

pany parties are a specialty as are 'rain or shine' barbecues. Catering may also be arranged in homes, offices or other halls.

Over the long range, said Mr. Baydala, I am considering making one wing into a cabaret, and will be giving further thought to that possibility. In the meantime the exterior is being repainted and the barbecue area and upstairs suite are being spruced up. We are very pleased to have Mrs. Wilson back to assist us with our plans and manage the catering.

Mr. Baydala is the owner of the six Baydala Drug

Stores, five in Edmonton and one in Spruce Grove. "Actually," he said, "It is my wife who is really excited about the Mocombo. She majored in home economics at the university, and is looking forward to spending quite a lot of time here."

Stella said she had a few ideas in mind for 'warming up' the atmosphere, particularly in the Sunset room, from a decorating point of view. She is looking forward to assisting in the food area as well and to meeting new people, in her new work.

The Club was built in 1949 and opened in June of that year. It originally had a

restaurant and drive-in outlet, and consisted on the present kitchen-office-foyer area before the main hall was built to accommodate 300 people. In 1969 the Sunset room was added, which will accommodate a further 300.

It was one of the earliest facilities of its kind in St. Albert and at one stage served as a meeting place for the congregation of the United Church. Mrs. Wilson was

interested during clean-up to find the old sign in the basement, advertising the church services. Over the years, as it grew with the town, the Mocombo has been the scene of many happy and memorable celebrations and occasions in the life of local organizations and individuals.

Bookings are now coming in again as Club Mocombo resumes this tradition under its new management.

## Summer Games Shooting Trials

The Alberta Summer Games being held in Calgary, August 25, 1974, will include Shooting as one of the Alberta Class competitions. This means that at least six of the seven zones that the province is divided into will have representative shooting

teams at the games.

Your Town is in Zone 7 which includes approximately 24 towns and cities in North Central and North Eastern Alberta, but which does not include Edmonton.

The Northern Alberta Shooters Association in co-

operation with the Fort Saskatchewan Fish and Game Association and the Edmonton City Police and the Edmonton Gun Club will be hosting the Zone 7 trials.

The Centre Fire Sporting Rifle, maximum weight 9 1/2 lbs. up to a six power scope.

Trials will be held at the Fort Saskatchewan Fish and Game range July 6, 1974, commencing at 9 a.m.

.22 Calibre Sporting Rifle, iron sights, maximum weight 7 1/2 lbs., three position course of fire.

.22 Calibre Hand Gun: N.R.A. course of fire. Trials will be held on July 13 and 14 at the Edmonton City Police Range (one mile from junction of highway 16 East and 1st Street - Clover Bar Generation Station).

The team will be made up of eight competitors. Competitors may enter more than one of the above events.

For those requiring further information, contact - Ian Skogstad, #2 Lester Cres., St. Albert.

## K-Days Beef Draw a Meaty Deal

Steer-A-Day raffle tickets will sell at 25 cents each or five for \$1 when the Edmonton Exhibition Association makes them available on the

Exposition Grounds during Klondike Days. God only knows how much beef will be worth come early July but guestimates put the worth of the steers at around 500 dollars each.

Winners will receive between 500 and 600 pounds of prime Alberta beef delivered to their homes as sharp-frozen steaks and roasts,

cut and wrapped to order. Should they prefer cash, they will pocket \$300 in place of the meat.

The draws will be held daily during Klondike Days, and winning tickets will be returned for a final draw for a home freezer stocked with choice quality frozen foods, valued at approximately \$700.00.

## New Home Improvement Centre Opens Thursday

Thursday, June 27, marks the official opening of L.B.H. Home Improvement Centre located three blocks west of Grandin Mall at #4 Riel Drive in St. Albert. The opening celebrations will include the awarding of \$1,000 worth of door prizes, balloons for the kiddies, coffee and dainties, and the attendance of an interior decorator to offer pertinent advice. Manufacture representatives will also be in attendance.

The L.B.H. Home Improvement Centre operates with the concept of providing retail building supplies for both the amateur and professional builder and has approximately 7,000 square feet of stocked floor space. More than reasonable prices are a feature of the centre. The stock of the spacious store covers all building needs and about two thousand items are available. Included in the stock are as-

sorted lumber supplies, wall paper, in excess of five hundred rolls, and hundreds of items in the home decorating and hardware categories. A delivery service is also available.

Opening specials will be in effect at the centre from Thursday until Saturday at 6 p.m. and parking will be provided in their paved lot, for added convenience. Mr. Lemieux, general manager, feels that the store will be

More than reasonable prices are boasted at the L.B.H. Home Improvement Centre which has 7,000 square feet of stocked store space. Opening specials will be in effect from Thursday until Saturday.

an attractive addition to the business community of St. Albert and that it is a much needed addition to the town. They will be handling the window and screen repairs formerly carried out by Atlas Aluminum.

Mr. Roger Lemieux is one of six brothers involved in the business. He is the general manager of the Home Improvement Centre and in addition acts as vice-president of the company. The brothers are all equal shareholders in the company and are following in the footsteps of their late father who was involved in the lumber business. Len Lemieux, oldest of the six, serves in the capacity of Yard Foreman and has had 20 years experience in the lumber business.

Roger is the youngest of the six brothers. He has had several years experience in the hardware and building material trade and has lived in St. Albert for two years. He and his wife Daneta will

be celebrating a different occasion - the birth of their third child. They have two sons, a four year old named Kevin and a two year old named Douglas.

The L.B.H. Home Improvement Centre's hours

of operation are from 8:30 a.m. to 6 Monday to Wednesday and Thursday and Friday until 9 p.m. Mr. Lemieux is eager to meet everyone and urges people to drop down and look around

Mr. Roger Lemieux, General Manager of the L.B.H. Home Improvement Centre, sends out a hearty welcome to citizens of St. Albert and people from the surrounding areas and invites them all to drop in to the opening on Thursday, June 27.

## Deliver us from evil

Exorcism has been receiving a considerable amount of attention since the release of the movie - The Exorcist. The most recently recorded exorcism in Montreal was performed in 1947 by the Rt. Rev. Henri Belleau, then a bishop overseeing the church's work in the James Bay area of Ontario. Now 77, he is living in retirement in Manitoba.

Though no exorcisms have been performed in the Montreal area since 1947, a related practice called "deliverance" is not uncommon.

The Rev. Paul D. Suave of the church of St. Augustine believes that personality problems are sometimes the action of malevolent, exterior forces acting upon the suffering person.

The procedure begins with an appeal to Christ to force the 'evil spirit' to identify itself, explained Father Suave.

"You get the name, perhaps the spirit is called

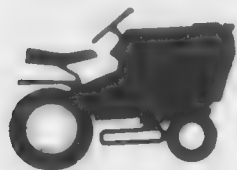

Sulicide for example, and in the name of Jesus you bind and cast out this thing," he said. "Usually the person will then yawn or cough or sometimes vomit as the spirit leaves him."

The sufferer is then urged to forgive whoever caused the spirit to invade him, and finally the priest appeals to God to heal any wounds caused by the spirit's presence, "be they physical, mental, psychological or spiritual."

In three years Father Suave has performed about 600 such "deliverances," usually with success, he claims, and he has met clergymen of other denominations who are involved in the same practice. Still, most of his fellow priests do not share his belief that he is truly 'casting out demons,' he admitted.

"But I don't care whether these people are really possessed by the devil or have psychological problems as long as they are delivered from the problem," he said.

According to the teachings of the Catholic Church, all who are baptized can never be possessed.

## Recital ends dance year

St. Albert School of Dancing closed its doors for the summer season with their annual recital held at the S.U.B. Theatre last Sunday, June 23.

The large cast of children from three to 7 presented an

outstanding show.

The dancing school will reopen in their new building on St. Anne Street in September when, as well as children's classes they will be offering ladies dance classes.

# News from Gibbons

By Shirley Steinwand

The second Brownie Camp was held on June 14 - 15 and 16, 1974 at Camp Blacklock.

There were 17 brownies and six leaders. Camp leader - Brown Owl - Lori Grant Tawny Owl - Carol Machalek, Packle - Heather Grant two cooks - Yvonne Mabbutt and Jean Bibeaud, Nurse Doreen Minchau. Brownies in attendance were: Jo-Anne Revoy, Joanne Christie, Sandra Kennedy, Delliah Wingfield, Colleen McLean, Karen Shaw, Jackie Pyska, Heather Hood, Marilyn and

Margo Doerkson, Amand Prins, Debbie Pyper, Bonnie Kipling, Bonnie Thompson, Susan Minchau, Lindy Mabbutt and Annette Bibeaud.

The brownies arrived at camp at 7 p.m. Friday evening, and after getting settled in their bunks, played games until bedtime.

Saturday was spent hiking, exploring, and arts and crafts, where they made Father's Day gifts. Saturday evening closed with a campfire, led by Heather Grant, with skits and songs by the brownies.

Sunday, Brownies Own

held an outdoor chapel. Special guest for dinner was Area Camp Adviser, Evelyn Fraser. She was presented with a camp badge and a gift made by the brownies.

Seven brownies earned their Outdoor Adventure badge, and two brownies earned their Holiday badge.

Brown Owl, Lori Grant would like to send a special thanks to the cooks, nurse, Evelyn Fraser and all the parents that brought water. Also, she wishes everybody a happy holiday.

If anyone has any questions about brownies, please call Ada McLean 799-9281 as Mrs. Grant is getting ready for a trip overseas.

## HISTORY OF GIBBONS AND DISTRICT

Please mail your stories, pictures, etc. to Mrs. W. Mabbutt, Box 11, Gibbons, Alberta, T0A 1N0 or phone 799-9148. Deadline is August 1st, 1974.

Gibbons Squirts (eight and under girls) played at Namao against Bon Accord on June 15. Bon Accord 22, Gibbons 21.

Sturgeon Regional Recreation is again offering summer activities for children at Gibbons. Playgrounds will operate from 10 a.m. to 4 p.m. Tuesday through Friday, and on Monday from 12 noon to 4 p.m., commencing Tuesday, July 2, 1974. This playground will operate throughout the summer.

Activities offered will be similar to last year. At present, basic arts and crafts such as clay modelling, jewellery making, beading and weaving are planned. In addition are various group sports and games.

Parents, please take note

of times and dates and have your children attend.

The World Book Encyclopedia, and Child Craft are now on the shelves at the Library. Drop in and see them.

Anyone wishing to serve on the Library Board, please phone 799-9149. A meeting is called every three months with the next one being slated for September.

## Ladies Ball Scores:

Tuesday, June 18-Gibbons 30, Redwater 15; Thursday, June 20 - Gibbons 9, Bon Accord 11.

Happy birthday to Alex Roberts who celebrated his 79th birthday on June 21.

A shower was held at the Legion Hut on Tuesday, June 18 for Marcey Jones. Marcey will be married on July 20 to Louis Morin.

Sympathy of the district to Mr. and Mrs. Pete Reddekopp on the death of Mrs. Reddekopp's mother, Charlotte Schram.

On June 19th, 1974, Mrs. Charlotte Schram, widow of John Schram of the Norwood Auxiliary Hospital, formerly of Gibbons, passed away at

the age of 62 years. She is survived by two daughters - Diane Reddekopp of Gibbons, and Willa Gorman of Edmonton; four grandchildren, Charlene, Darrell and Karen Reddekopp and Valerie Gor-

man, and one sister, Mrs. Mary Yeo of Gibbons.

Funeral services were held on Saturday, June 22 at the Gibbons Emmanuel Anglican Church.

## LEGAL

By Lucienne Montpetit

Fete au Village is just around the corner. Our annual two day celebrations will be held on July 27-28.

There will be a meeting on July 2 at 8:30 p.m. at the Rec. Centre.

Come and voice your opinions, offer your services if you can't come to the meeting and you can volunteer several hours to help, phone Jules Larose 598-3621 or Leon Brisson 598-3745. Newcomers are most welcome.

There will be a party at the Club 60 Roses on June 28. Everyone is invited to come and have a good time. Memberships will be available that evening.

A reminder to all those who are taking swimming lessons to be on time to take the bus on July 2.

Mr. and Mrs. Rene Maurier attended the Alberta Amateur Hockey convention in Lethbridge last weekend.

The summer playground program will commence on July 2 at 10 a.m. - 12 noon, 1 p.m. - 4 p.m. five days a week. Children under six years must be accompanied by older sister or brother. Send your children to enjoy the activities.

# Schneider - Redinger Wedding

St. Timothy's Anglican Church, Edmonton, was the scene of a late spring wedding on Saturday, June 8, when Edith May, only daughter of Mr. and Mrs. Francis Redinger of Tomahawk, became the bride of Gregg Allan, younger son of Mr. and Mrs. William Schneider of Legal.

Reverend D. D. Stewart conducted the double ring ceremony before an altar graced with bouquets of pink and white daisies and baby's breath.

The bride, given in marriage by her father, wore a full length gown of white lace styled with an empire waistline and small stand-up collar. The long, full, sleeves were gathered to wide, lily point buttoned cuffs. The empire waistline was finished with a narrow band of matching lace and featured a small bow at centre front. Her full length lace train fell from the waistline of the buttoned back. On her head she wore a cluster of white velour roses and she carried a bouquet of red roses, pink carnations and white daisies.

Bridal attendants were Mrs. Jacinthe Schneider, sister-in-law to the groom and Mrs. Carrie Redinger, sister-in-law to the bride. They wore identical gowns of white polyester sheer over taffeta, sprinkled with pink flock dots. Over-the-shoulder frills, pinafore style, and embroidered braid enhanced the bodice, and a flowing sash was tied in a bow at the back. The long, full sleeves and the hemline were finished with a frill. They wore white accessories and carried white parasols trimmed with white frills and pink ribbons. Their bouquets were pink and white carnations and daisies, centred with a red rose.

Attending the groom were his brother, Mr. Tom Schneider, and Mr. Robert Redinger, brother of the bride. Ushers were Mr. Ted Redinger, brother of the bride, and Mr. Randy Schneider, cousin of the groom.

Guest soloist was Mr. Randy Schneider.

For her daughter's wedding Mrs. Redinger chose a slipper length gown of embossed tulle in a coral shade, and styled on princess lines. She wore a matching short jacket and white accessories. A white orchid completed her costume.

Mrs. Schneider wore a gown of yellow floral sheer over taffeta, with off-white accessories and a coral orchid, en corsage.

A reception for 120 guests was held at Tomahawk community hall. The bride's table was centred with a three-tiered wedding cake

flanked by tall white tapers, and decorated with bouquets of pink and white daisies. Following the reception an open dance was held.

For their honeymoon to the Pacific Coast and Interior British Columbia the bride changed to a white and tangerine pant suit. She wore white accessories, and a white orchid at her shoulder.

Out of town guests were from Kelowna, Dawson Creek, Calgary, Camrose, Bon Accord and Drayton Valley.

Here are the students who have won the Book Awards at Sturgeon Heights School. From left to right: Troy Lorne, Delores Victoor, Sherri-Lyn Victoor, Celine Iseke, Ronald Desnoyer, Perry Terrault, Tod McKinstry, Tod York, Patrick Quagebeur, Sandra Peterson, Karen Flynn, Tony Deroucher. These book awards are given annually to the most deserving student of each class. Photo by Paul Gervais.

## Small business in a squeeze - Schellenberger

Small business in Canada is suffering badly says Stan Schellenberger, PC incumbent for Wetaskiwin. High production costs - the result of escalating prices, competition from large Canadian corporations, often unfair, unfair tax structure and virtually no interest or protection from the Trudeau government, have resulted in large numbers of small business failures in this country.

But, the viability of small business he says, is essential to the well-being of our

economy. Small business offers opportunities to many Canadians to make their own contribution, introduce new products, multiply the goods and services available, and strengthen free competition, which is the basis of our private enterprise economy.

The Progressive Conservatives care about small business and to facilitate small business in financial resources as well as to encourage Canadians to invest in and expand Canadian small business firms, Mr. Schellenberger said they have proposed that a Canadian investment incentive credit be made available to Canadians who invest in small business in this country. The credit would be available to Canadian residents only. It would be equivalent to 50 per cent of qualified investments to a maximum of \$10,000 each year or \$5,000 a year per individual investor.

John Bulloch, president of the Canadian Federation of Independent Business says that small business in Canada is in a cost-price squeeze. A recent survey shows that of those interviewed, 85 per cent had higher labour costs in the past year; 86.9 per cent paid higher costs for goods; 58.3 per cent raised their selling prices; 73.1 per cent had a higher dollar volume; but

only 36.2 per cent had higher profits despite increases in selling price and dollar volume.

We need a new tax structure based on risk and number of dollars invested with built in encouragement to expand and create more jobs.

We need financial assistance at lower interest rates to expand or create new productive capacity. We must provide managerial and technical services, information concerning the management and financing of small business. These are some of

the things a Progressive Conservative government would do in recognition of the great importance of small business. It is high time the obstacles of big government, big business and big labour are removed, concluded Mr. Schellenberger in a recent press statement.

## Legal CWL News

The St. Emile's CWL of Legal held their regular meeting at the Recreation Centre on July 18, with nine members present.

Spiritual program was read by Mary Quaghebeur. Claire Yvonne Keane presented the financial report.

Mary Kachurowski read a poem entitled "I Know Something Good About You." She also read a very interesting report from Derrick and Myrna Ironside, CUSO volunteers in Malawi, Africa, on how they celebrated Christmas there.

President Madeline Cornells reminded the members to get out and vote on July 8.

Discussion followed on the request for a donation towards the purchase of a piano for the 60 Roses Club. Due to our limited funds, it was decided that we donate 15 dollars for now.

Father Bissonnette very kindly offered us the Bona Vista Chalet at Plamondon for a CWL family get-together. Some day this summer we may accept his generous offer.

The next meeting will be held on September 17. In the meantime, on behalf of all the CWL members, happy summer holidays to all.

## RQB Beef Club

The Riviere Qui Barre 4H Beef Club will hold its annual Achievement Day on Wednesday, July 3 at the RQB skating rink, commencing at 12:30 p.m.

Everyone is welcome to attend and see the progress

the club is making.

The Edmonton and District Show and Sale will be held at the Edmonton Sales Pavilion on Thursday, July 4, so the 4H members will be having an exceptionally busy week.

## Gibbons 4H Horse plan active summer

By Bev Epp

On Sunday, May 26, the Gibbons 4H Light Horse Club attended the eighth annual Pinto Horse Show. The club operated the concession and had a very successful day.

On Saturday, June 1st, the club attended the Namao 4H Rally, with the Namao and Bon Accord Light Horse Clubs competing. There was a fair turnout of horses and the day was quite warm and sunny. The Gibbons Club won the total high point for the day. All 20 members of the club were at the show.

The Gibbons 4H Interclub Horse Show will be held at the Hood residence on Saturday, June 29, commencing at 9 a.m. The Leduc, Bremner, Bruderheim, Namao, Bon Accord and Fort Saskatchewan clubs have been invited to attend. We are

hoping for clear, warm weather and lots of people. We would like to invite spectators to attend and enjoy the show. There will be a concession booth for everyone's convenience.

On Thursday, June 6, the club held their monthly meeting at the Visscher residence with 19 members present. It was decided that the club would support the "Salute to Horses" during exhibition week. This special tribute to the horse will be held in the Sales Pavilion. There will be a grand entry every day in the Gardens for those who wish to take it in. Our club will be giving their demonstration on July 20, three times during the day. We will also have an information booth set up. We urge everyone to come and see this demonstration when

they visit the exhibition this year. Debby Watt and Laura Visscher presented Mr. Tom Nobles of Master Feeds in Edmonton as the guest speaker. He gave an interesting talk on "Nutrition of the Horse." His talk gave us an insight as to the proper feed for a horse. There was a quiz at the end of the talk, with Sharon Kish and Chris Hood each receiving a 50 pound bag of Sweet Horse Feed. A delicious lunch was provided for the parents and the members by Mrs. Visscher.

# Namoo school to provide improvement programs

Namoo School will provide expanded programs aimed at basic skill improvement for Junior High School students from all parts of Sturgeon School Division next fall. Designed for junior high students of average and above average ability but not achieving to their full potential, the programs are an extension of the learning disability programs for elementary students initiated in all Sturgeon Schools during the past school year. A total of 80 students from the Bon Accord, Camilla, Gibbons, Horse Hill, Namoo and Sturgeon Heights Schools have pre-registered for the new Junior High Improvement Program at Namoo. Enrolment in the program is voluntary and written parental consent is required for admission of eligible students.

The programs are designed to emphasize careful diagnosis of student problems in basic skill areas as well as more individualized instruction in these areas by highly qualified teachers working with small classes of about 20 students in core subject areas as compared to regular junior high classes of 30-35 students. A main objective of the program is to upgrade student basic skills to enable them to achieve better success in regular and vocational senior high school programs after their junior high school years. A second major objective is to improve the attitudes of students toward junior high school and to increase their interest in continuing in school by providing an encouraging, helping atmosphere, a greater variety of high interest courses as well as improved counselling services when these are required.

Junior High students needing such special programs have up to now had to attend schools in Edmonton and as a result have faced the prospect either of long distances to travel every day or of boarding away from home. As a result, many students were unable to receive the special help they required. The high cost of providing the needed services for a small number of students has prevented the Sturgeon Division from serving their needs locally at each school. By bringing all students to one centre, the program has been made financially feasible for the Board.

Namoo School was selected by the Sturgeon School Division Board to provide the Junior High Improvement program because of its central location and because it has sufficient unused space to accommodate the numbers of students needing the program. The Namoo School, which is rated at a capacity of 500 students by the Department of Education, has a current enrolment of only 240 students. With the implementation of the Junior High Improvement Program and the transfer of three special education classes from the Bon Accord, Gibbons and Horse Hill Schools, the enrolment at Namoo School will be approximately 350 next fall.

The increased numbers of students in the Junior High at Namoo School will enable the offering of a wider range of elective courses and so provide improved choice in these courses for all students.

The expanded and reorganized staff for the Namoo School next fall will be as follows:

Principal - Alex Letts; vice-principals -- Gerald Schick, Thomas Fink; teacher-librarian - Hugh Steele junior high teachers: Timothy Ulmer, Amille Eis, Elaine King, Jenny Bererton, Warne Raven, Frank Jacknickl; elementary teachers: Eugene Weber, Carl McColl, Sandra Mullen, Linda Simmonds, Jessie Churcher, Special education teachers: Beth MacLeod, Delbert O'Brien, Danette McGhie, Hilda Campbell; Early Childhood Teacher: Lynda McCormick.

## Horse Hill Report

By Peggy Wenzel

Horse Hill girls, 10 and under won the softball league trophy in the tournament held last week. Congratulations girls.

A good turnout of fans took in the boys ball tournament held at Horse Hill grounds, with teams from Gibbons, Namoo, Bon Accord and Horse Hill. Bon Accord teams won in the eight and under, 10 and under and 14 and under sections, while the Horse Hill team won the 12 and under section. Play went on all day in excellent weather conditions.

On Friday evening the community held a farewell Open House for Mr. Alex Letts, school principal for many years who has accepted the position of principal of Namoo School. On behalf of the community Mr. Gordon Wenzel, president of the league, presented Mr. Letts with a gift of books and expressed the appreciation of all for the dedicated service of Mr. Letts to his school, his students and the community. The books selected were 'The Last Spike' and 'Canjan - EH'.

## NAMAO NEWS

By Norma Crozier

Congratulations to Robert and Sharon Paley (nee Kreller) on the birth of twins on Father's Day, June 16. Shelley Suzanne, 5 lbs. 12 ozs. and Scott Robert, 5 lbs. Playmates for Shannon Leanne and proud grandparents, Mr. and Mrs. Ivan Kreller.

Sympathy of the district to Russell and Ella Coburn with the passing of Ella's mother, Mrs. E. Bredesen.

On Father's Day, June 16, Mrs. Verna Hansen's pupils held their music recital in the community hall. A good crowd of parents and friends were there to hear 25 students play piano solos, five students did not perform. This musical afternoon was enjoyed by all.

On Saturday, June 15, the Namoo 4H Light Horse Club members rode in the St. Albert parade. They performed well and looked very smart. The Klondike Mounted Square Dancers, the group that practises on the Namoo Gymkhana grounds on Thursday nights, also rode in the parade winning first prize and a trophy for the best mounted horse group. They also performed in two shows on Saturday at the Rodeo Grounds and one show on Sunday.

Namoo School and Community League will hold a Klondike barbecue and dance in the school gym on Saturday, July 20. The steak barbecue will be held from 7-9 p.m. with free beer and dancing from 9 p.m. - 1:30 a.m. to the Satellite orchestra. Tickets are \$6 per person

and may be obtained from Johnny's Store, Samis's Garwge, Clayton Crozier or Doreen Pearse at 799-3647.

Namoo United Church held their last service of the spring on Sunday, June 23, and will resume regular services on August 4. The minister will be on holiday during July but will be in the area and available for emergencies following July 7.

A Vacation School will be held at Namoo Church during the week of July 15 to 19 for children four years old and up. Sessions will be from 9 to 11:30 a.m. This school is open to children from Patricia and Bon Accord as well as Namoo. For more information call Janet Reed at 799-5941.

A Trophy Day Gymkhana will be held at Namoo Gymkhana Grounds on Sunday, July 7 beginning at 10 a.m. Prize for the high point winner of the day is a trophy saddle. Trophies will also be presented to first place winners of each event and ribbons to fifth place. Concession booth will be open.

## THANK YOU

Morinville Frontier Daze Association wishes to give a special thank you to Craig's Manufacturing Ltd., for donating the trailers and plywood that were used for the stage in the Arena during Frontier Daze. Without their generous assistance every year the entertainment committee could not operate.

# Report from Bon Accord

By Sadie Allen

Disappointing news for all those who were interested in starting a Weight Watcher chapter in Bon Accord. Instead of the 20 members agreed on at first there now has to be a minimum of 50. However, similar clubs are being investigated and it is hoped to have word on one of these soon. Keep watching.

The Agricultural Society executive met on June 16. Plans are holding Farm Market Days on four successive Saturdays in the late summer are in the making. If you are interested in donating or selling on commission any extra vegetables you may have, or are willing to help man a table, please phone 298-3541. The Agricultural Society would like to know your reaction before their next meeting on July 9.

Bon Accord will be hosting the Northern Alberta provincials for bantam girls (14 and under) on July 6 and 7. Participating teams will be Beacon Heights and Calder from Edmonton, Fort McMurray

and Bon Accord. The girls and their coach, Mr. Keith Whitson wish to extend their thanks to Triple R Service - owners Ray and Gladys Raplan - for the navy blue and white uniforms they donated to the team.

Gall's Girls will be playing their first provincial in Clarke Stadium on July 1st at 7 p.m. If they win they will play again on Tuesday, July 2nd at 8:30 or 9 p.m. If they lose the first game, they will be playing at 7 p.m. on Wednesday, July 3.

Mr. and Mrs. Jim Thompson have moved their trailer to the farm of Mr. Jim George where Jim has set up the Pelikana Kennels. With 25 kennels now ready to go. Going holidaying and don't want to take pup along? Call Jim.

Minor baseball boys competed three out of four trophies in league playoffs held at Horse Hills on Saturday, June 22. Peewees were the only team who lost out this year, bowing out to Horse Hills.

**25th ANNIVERSARY**  
Friends gathered at the Bon Accord Community Centre on June 20 to honour Mr. and Mrs. Arthur Strawson on the occasion of their 25th wedding anniversary. After having supper at the home of son and daughter-in-law, Ed and Brenda they returned home where the rest of the family were gathered, and were presented with a lovely china cabinet by their children. They adjourned to the community centre where friends and relatives were gathered. Rev. Herman Miller of Carstairs was master of ceremonies. A mock wedding was performed with Stan Kowalski "conducting the service." The bride and groom dressed in wedding attire of 25 (or more) years ago made some unbelievable vows. The bridesmaid, Shirley (nee Bowman) Cole attended, having made her second trip in nine days to Bon Accord from Kennewick, Wash. Bill Carleton stood in for Harry Henshall as best man. Edith Kowalski, as the bride's mother, was ushered in by Lyle Strawson. Many beautiful gifts were received by the bride and groom. Presentations were made by Mr. Ernie Henshall on behalf of the bride's family, Mrs. Walter Strawson on behalf of the groom's family and Mr. Taras Ferbey on behalf of the community. Rev. Tom McKnight asked the blessing after which a delicious lunch was served. Seated at the head table with Art and Alice were Mrs. Shirley Cole, Mr. Bill Carleton, Mrs. L. Henshall, Mr. and Mrs. Walter Strawson from Victoria, B.C., and Mr. and Mrs. Herman Miller from Carstairs. Out of town guests included Edna and Philip Criss, Chilliwack, B.C., Milly Wiley, White Rock, B.C., May and Jack O'Rourke, Calgary; Anne and Stan Husband and Marj and Jake Criss of Devon; Kathy and Bill Strawson, Peers; Amy Johnson and family, St. Albert; Joyce and Gerald St. Jean and family, Leduc; Cindy Cole, Fennelwood, Washington. The head table was centred by a three tiered wedding cake made by Brenda and beautifully decorated by Edith Kowalski and was flanked on either side by

candles and red roses.

Three members of the Bon Accord Art Club - Lillian Carleton, Jean Chubb and Marjorie Tidbury of Coronado enjoyed a three-day landscape painting course at Hinton, June 19-21. Instructors were Professor Doug Barry and Mr. Harry Savage of the Dept. of Extension, U. of A.

A number of people watched the Bon Accord Guide Fly-Up ceremony held on Sunday, June 22 in the Centennial Park at 2:30 p.m. The Guides formed a horseshoe and welcomed the new Guides - Lorelei Donaghue, Michelle Fisher, Janice Fenwick and Kelly Webster as they received their wings. Badges were then presented to the girls by Guide Capt. Mrs. Corrinne. Emergency Helper, Fire Brigade and First Aid went to Karen Bjerkie, Wendy Lewis and Valerie Millwood. Karen Bjerkie also got her Outdoor Cook and Dancer badges. Michelle Donaghue - First Aid, Wendy Fenwick - Collectors, Kelly Webster - Cyclist, Valerie Millwood - Dancer, Cathy Malanahan - Emergency Helper, Fire Brigade, Homemaker, Globetrotter, Cook, Team Sport and Public Speaker. Wendy Lewis was presented her Challenge Badge by Division Commissioner Mrs. Helen Lesychna. Congratulations, Wendy.

After the singing of taps, the girls were all treated to popcicles.

## Sturgeon Regional Camp

Session 7 - August 5 - 9, boys and girls, ages 10-12.  
Session 8 - August 12-16 girls - ages 13-16.  
Session 9 - August 19-23 boys - ages 13-16.

These dates still have openings. If interested please send in an application form for Sturgeon Regional Recreation. The head table was centred by a three tiered wedding cake made by Brenda and beautifully decorated by Edith Kowalski and was flanked on either side by

Awards were presented to the Bon Accord Mites at the end of season wiener roast hosted by Roy Malanahan and Myron Schneider on June 22. From left to right: Perfect Attendance trophies went to Warren Schneider and Blain Malanahan; Most Improved Player trophy went to Greg Gibson. There being a tie for the Most Outstanding Player Award the trophy went to George Kelly and Alan Chopp. The trophies were donated and presented by Coach Roy Malanahan. The Mites won the mile division trophy for the Sturgeon Junior Baseball League for the sixth consecutive year, defeating Namo and Horse Hill in the final tournament.

## Gibbons Council report

At the June 12 meeting of the Village of Gibbons Council it was agreed that a few engineering changes in the Trailer subdivision plans would finalize plans for the entire development so that the development agreement could be signed and construction started on the project. This project will consist of approximately 90 lots that trailer owners may purchase and to locate their trailers on a permanent basis.

Mr. Austin came to the meeting to discuss school business and gave some information on the construction of a new school in Gibbons. Two requests were discussed and approved in principle regarding roof drain-

age and the moving of a light standard.

Letters from Governmental offices rejecting the winter works program were discussed and the council with the Agriculture Society will continue to seek ways and means of getting this request granted through other channels and a solution should be finalized in the near future.

A letter re garbage pick-up by outside sources was discussed and rejected at this time due to the high cost.

Sidewalks and curbs were discussed with construction of both sidewalks and curbs on 47th Street from 50th Avenue south having priority and curbs on 51st Street throughout to follow. As much curbing as possible

will be done after these two streets have been completed.

A motion was passed that a sum of money be given to the fire department each year to help give some aid in wages to the firemen for their dedicated services on Sunday duties and fire phones. The council passed a motion to equal the amount that the MD decide to contribute to this cause.

A motion was passed to rezone Lot R2 from reserve to commercial and the village office will proceed with this project.

Meters were discussed and metering of the village will take place as soon as meters can be purchased. There appears to be a large amount of water used and it was felt that metering would aid in defraying the increase in costs of pumping, treating etc.

Due to the sudden closing of the M.D. garbage dump at Bon Accord without notice, emptying of burning barrels will be postponed for a short time until arrangements can be made for a new location.

## Bon Accord Council Report

Mayor Deedman and Councillor West handled the business at the last regular meeting of council held June 17. Councillor Nicholson being on vacation in Scotland.

### CORRESPONDENCE

Approval was given for Glacier's revised plan for the proposed subdivision on the Hugh Allen land.

Mayor Deedman and Mr. Jack Paterson, engineer, met recently with the Council of the M.D. Sturgeon to discuss the drainage ditch connected with this development.

A letter from Mr. Nigel Mansfield advised that the Emergency telephone station installed in the Tom Brown house will be moved to the home of Mrs. Janice MacDonald. Nigel also reported that he had attended a fireworks supervisor's course in Edmonton recently and that he is now authorized to supervise any fireworks display local groups may want to put on.

### FIRE CALLS

Mr. Mansfield pointed out that there is no local listing for fire calls in the telephone directory. This matter has since been referred to AGT who have been asked to include this number in the new directory. In the meantime we suggest residents make a note of the number either near their phones or in the phone book. The number is 799-6311.

### WASTE DISPOSAL

Council asked that Ramstad Trucking be asked to continue hauling garbage from the village until further notice. Residents are now officially advised that garbage pickup will be carried out each Saturday commencing at 8 a.m. Two tenders for waste removal from private contractors were read and discussed. Council will look at private versus Village operation of waste

removal at a later date.

The Departments of Health and Environment have both been written asking for their assistance in locating a waste disposal site closer to the Village as Council has spent considerable time and effort in trying to locate such a site without success.

Council expressed some concern about multi family use of single family dwellings. This practice is not allowed under the new zoning bylaw and will be discouraged or prohibited in the future.

Property owners who responded promptly in cleaning up their vacant lots are to be congratulated. All residents are asked to clean up unsightly premises and to be aware of weeds spreading onto neighboring property.

Bylaw #68 was passed at the meeting, setting the frontage rate for water and sewer for the lots on and adjacent to the former hall diamond property.

Next regular meeting of council - July 15, 1974.

# MORINVILLE MEMOS

By Flo McGinnis

Frontier Daze is over and now everyone tries to get 'back to normal'!

A special note from Angèle Kleser and Roger Labonte - "Thank you to all those who have volunteered their time and worked faithfully every year in the main kitchen. A very special thank you to the wonderful people who stayed and worked longer than their three hours to fill in the gaps from the shortage of helpers this year."

The summer playground program gets underway on July 2 so for all those youngsters who are interested in spending some fun days during these sunny summer days, just head up to the grounds and get in on all the action.

The swimming program is also underway next week and it appears that we have even a larger number of young people attending this year than previously.

Please note several smaller articles in this issue regarding summer activities offered by the Regional Recreation Council. You may contact the office at 256-3317 for information on any of the programs.

Thank you to all those who have in any way assisted me while I have been trying to keep Morinville in the news. I find it impossible to arrange for sufficient time to do a proper job for the Gazette and therefore this will be my last Memos column.

The Gazette would like to hear from any people who would be interested in serving as Morinville news writer and advertising representative and such people are invited to telephone collect to 458-2240, or write to Box 263 for information or assistance available and remuneration.

## Huge crowds enjoy Daze

By Flo McGinnis

Two marvelously sunny, hot days are credited with creating another extremely successful Frontier Daze for Morinville this weekend. Even though there was a heavy downpour, complete with hail, on Saturday evening it did not dampen the spirits of the 'extra heavy' crowd who were enjoying the Steak R.E.Q.

Right from early Saturday morning when the Street Breakfast took place the crowds were, at times, almost overpowering. The parade got off to a good start and with numerous floats, bands and guest participants wound its way up to the Frontier Grounds.

Winners in the parade were: Floats 1st - Central Sturgeon Agricultural Society; 2nd - Morinville Frontier Daze; and a very hon-

orable mention for Legal Fete at Village, The Morinville Pedal Pusher Club Drill team won honours for the Bicycle Parade and each member received an appropriately marked ribbon. Winner of the trophy for the best decorated bicycle was five year old Wendy Schneider who was resplendent in a Mondie-style ball gown with huge hoop skirt completely covering her bicycle.

Other winners during the two-day celebrations were as follows: Horseshoe Doubles - Henry Dewald and Chris Campton, with the latter also receiving the trophy for Singles. Canoe races as a first for Frontier Daze were extremely popular and Janice Lamb and Charlotte St. Germain took the honours for the Ladies' Race while Pat and Don Ehaman of Athabasca took the awards for men. In the Teen race Kelvin Saldern and Denis St. Laurent ran away with the contest. In the Tag-o-War Challenge the Central Sturgeon Agricultural Society came out on top.

Two draws were made at the Grand Finale and in the first one George, of George's Cycle drew the winning ticket for the 10 Speed which he had donated. Gerry Borden of #3, 10397 - 12738, Edmonton was the very lucky young fellow. The whole beef was won by Jean Terrault of R.R. #2, St. Albert.

Citizen of the Year for 1974 went to Ed Kryskow as you will note in the write up elsewhere in this issue. So for another year the Frontier Daze Committee has completed a 'job well done' and have succeeded in raising a goodly amount of money for Artificial Ice in Morinville.

## Regional Play grounds

Sturgeon Regional Recreation will again this summer act in conjunction with the communities of Gibbons, Bon Accord, Legal and Morinville to provide summer activities for young people, and notices have been sent out through the schools. Playgrounds will operate in these centres and a travelling playground will service the other areas of the municipality.

It will visit  
Federal from July 2 - 5;  
Coronado, July 8 - 12; Sturgeon Valley, July 15 - 19;  
Villeneuve, July 22 - 26;  
Riverside, July 29 to August 2; Mearns, Aug. 5 - 9; Horse Hill, Aug. 12 to 16; Lamoureux, Aug. 12 to 16; and Evergreen Park - August 19 - 23.

For further information contact John Wilschen at 256-3317 or 256-3318.

# Ed Kryskow named citizen of the year

The choice of the judges in selecting Mr. Ed Kryskow as Citizen of the Year was enthusiastically applauded when the announcement was made Sunday evening at Morinville Daze Grand Finale.

This year the committee specified that nominations should include a short biography on the candidate for the period from June, 1973 until June, 1974 and it was indeed a busy year community wise for Ed, who was the driving force behind the organizing of the Central Sturgeon Agricultural Society. He worked very hard lining up the required number of members to form the society, and followed that up with most of the leg work involved in obtaining, cash donations and pledges in support of a new artificial ice plant for the Morinville Arena. The submission stated that had it not been for Ed's determined and persuasive efforts, this project would not have been able to get off the ground.

The next step was a beef raffle and car raffle, and once again Mr. Kryskow was a major organizer. He was also deeply involved in the basic groundwork of getting cost estimates and blueprints done.

Other community service saw Ed working hard for the Board of Trade and the Morinville Lions Club. In addition to coaching both baseball and hockey, he plays ball with the senior club, who have also raised a fair amount of funds for the ar-

ED KRYSKOW

tificial ice.

It was pointed out also that at the time of the Figure Skating tests and again for the Ice Carnival, Ed Kryskow stayed up the better part of 24 hours on both occasions, checking equipment to make sure the ice would be all right.

Accepting the trophy, Mr. Kryskow said it was a proud moment in his life, but he would have wished that the letters ANNE were inscribed on the trophy as well, a tribute to the unfailing support of his wife.

## NOTICE

FROM FOUR MORINVILLE VOLUNTEER FIRE BRIGADE

The Volunteer Fire Brigade needs firemen. Anyone interested in becoming a volunteer firefighter please contact the Town Office, Phone 253-3331, information may also be had from Deputy Fire Chief Don Found at Don's Electric.

The position of Firechief must also be filled. Experience in firefighting is a must for this position.
